Ideal for permanent and variable locations, such as:

- Self-service areas
- Large offices
- Canteens
- Catering

Recommended maximum daily output 80 cups

The X10 impresses with its versatility, user-friendliness and individuality. Offering 31 different specialities, this master of its art covers both the full range of speciality coffees finished with milk and milk foam and the entire spectrum of speciality black coffees. The Professional Aroma grinder is a top-class innovation that delivers the perfect grinding result every time and 12.2%* more aroma. Thanks to the One-Touch Lungo function, it even knows how to capture the imagination with caffè Barista and lungo Barista. The 4.3" high-resolution touchscreen colour display is completely intuitive.

*Professional Aroma Grinder compared with conventional grinders
